To All,

As of today, the Warren County Courthouse will be closed to the public. It will be open for appointment only. We are asking for the public to use as many sources other than face to face to conduct your business. If your business can be handled by phone, online or by email please do so to lower our employees and yourselves possible exposure to the Covid 19 Virus. We are going to lock all doors for entry to the building please use the east entrance next to the Jail for entry to the building. If you have an appointment for court or with an office holder you will be allowed to come to the courthouse to conduct your business. This will remain in effect until April 6th and then be re-evaluated at that time.

Sincerely,

W. Brian Jordan
President of Commissioners
Warren County
