

WARREN COUNTY DUST CONTROL

2021

The following companies have agreed to coordinate with the Warren County Highway Department to get property frontages graded or dragged before treatment:

OPTION 1:

Great Lakes Chloride, Inc. (GLC) - 42% LIQUIDOW Calcium Chloride

2021 roadway application pricing:

\$118.00 per 100 feet for an 18' width. Minimum of 300 feet required

Contact info:

1. GLC at 260-982-2175 or 574-253-1053
2. Mark the location where the dust control is to be applied

OPTION 2:

Dustkill-Dust Control Services - Bio-based dust control (bean oil)

2021 roadway application pricing:

\$2.00 per linear foot for a 12' width

\$2.15 per linear foot for a 16' width

Contact Info:

1. David Strietelmeier @ 317-446-7672 or david@dustkillinc.com
2. Mark the location where the dust control is to be applied

NOTE: Before any dust control product can be applied, a Dust Control Agreement (available from the Highway Department Office) must be signed.
