

Exhibit A
Plan for Expenditure of ARP Funds

Warren County, Indiana has adopted the following outline for expenditure of its American Rescue Plan funds:

a. 1% of the funds shall be used to provide the sum of \$2,500 to each full-time sheriff/jail employee for essential services provided to the County in 2020. To be eligible for premium pay as described, an employee must be employed by county government during the period of April 2, 2020 through April 19, 2021 and still be employed by county government on August 31, 2021, in recognition of their essential work during the COVID-19 public health emergency.

b. 54% of the funds shall be allocated towards construction of a new community center, which shall include (among other spaces) space for public safety training, additional meeting space to meet social distancing guidelines, if needed, and a veteran services office.

c. 45% of the funds shall be allocated towards broadband infrastructure.

** Such plan is subject to change in light of construction costs, bids, etc. which are not available at this time.
